

Brussels, 1st april 2010

Dear friend,

Thank you for your application to join MSC Belgium. Please find below a summary of the objectives of the club du MSC Belgium:

The club's objectives are:

- *To organise friendly meetings between men who share the same interests, namely motorcycle sport and fetish clothing, especially leather and rubber ;*
- *to encourage its members to show solidarity with disadvantaged groups, most notably those affected by HIV and AIDS;*
- *to promote, both within and outside the club, respect for, and tolerance of, diversity, as expressed in political, social, philosophical or religious opinions and choices, so long as these choices respect human rights. As a result, the club is expressly forbidden from any involvement in activities linked to any philosophical, religious, political or social movements, except for those which defend human rights, especially minority human rights*

The club brings together men with shared interests, regardless of the language they speak or of their ethnic or national origins. The club has the same three official languages as Belgium: French, Dutch and German. This means that any member may express himself in his mother tongue if it is one of these three languages.

The club is affiliated to the E.C.M.C. (European Confederation of Motorcycle Clubs).

The members of the club committee would be delighted to answer any questions you may have, and we look forward to meeting you often at future club events.

Leathergreetings,

On behalf of the club committee,

Dimitri De Vreeze

President

Membership Procedure Summary

The membership procedure is relatively simple and consists of the following steps:

Step One

1. Complete the membership application form and send it by post to the club's PO Box;
2. Enclose two passport-style photos (one for your membership card and one for our records).

Step Two

Attend some MSC Belgium events, so that :

- we can get to know you and you can get to know us;
- you can feel a part of our group;
- you can find sponsors for your membership (either three ordinary members or two committee members): these people will sponsor your application to join the club.

This step also allows the members of the club to verify that you are indeed a gay man interested in leather, uniform, rubber or workwear fetish clothing.

Step Three

Once we have got to know you and your sponsors have made representations to the committee in support of your application for membership, the club's Committee will vote on whether to accept your application or not. If it is accepted, you will be asked to pay the annual subscription (35€).

Step Four

As soon as the club receives your subscription, you will be sent your MSC Belgium/ECMC membership card and your MSC Belgium and ECMC cloth badges and you can take advantage of all the benefits offered to club members.

Step Five

You will be invited to attend one of our club's Welcome New Members events, where your entry into the club will be formally celebrated.
